

Southwest Boys Club has been the home to baseball in Wichita for 52 years. Play It Again Sports acquired the complex in 2010, and has made vast improvements to the facility. The new renovations include completely remodeled bathrooms, an overhauled concession stand, fresh paint, a new batting cage, new warm-up portable pitching mounds, a resurfaced infield on Hi-Power, and vast playing field improvements just to name a few. Play It Again Sports and Southwest Boys Club are teaming up to bring the best and most competitive tournaments in Kansas and the region. There will be a minimum of seven weekend tournaments with the possibility of more. Leagues are filling up fast, so traffic on the complex will be heavy all throughout the summer.

Sponsorships are now available for Southwest Boys Club. Outfield signs are now available for purchase. These outfield signs will include any design or logo that you want, as well as any other information that you would like to put on. These are professional grade signs made from Alumilite, which is mounted to Omegabond board. These are extremely durable, and they are NOT banners. All proceeds will go towards the teams that sell the signs.
