

Southwest Boys Club Youth Baseball Program 2019

Mission Statement

“The baseball program is created as a safe and competitive environment for the players, a turn key operation for the coaches, enjoyable atmosphere and experience for the parents, all working towards the goal of building our next generation of leaders through sport and community service.”

Overview

The Southwest Boys Club was organized in 1958 by a group of parents who recognized the need for an organization of this type in Southwest Wichita. Two hundred and fifty boys participated in the inaugural season. Southwest Boys Club provides a quality competitive baseball alternative to the young people of Wichita and the surrounding areas. The complex sports five fields ranging in size to accommodate all age levels of play. The goal is to provide the best possible facilities for our players. Players may register on an individual basis or as part of a team. The season generally begins in early April and consists of approximately 13 games for the season. Games are generally played on weeknights in order to allow weekends free to make up rainouts or to allow teams to participate in tournaments, either at Southwest Boys Club or at other facilities, if needed we will schedule weekend for league play.

Play It Again Sports handles all of the baseball operations, and has done so since 2009. Because of this, www.playitagainsportswichitawest.com is the main hub for all Southwest Boys Club information, schedules, and news.

Safety & Insurance

Southwest Boys Club feels that player safety is the most important part of any sport. Each player is required to act in a way that promotes safety, not only for themselves, but their teammates and opponents as well. Each player in the program will be covered by general liability insurance. Each person participates in this program at his or her own risk. All coaches, fans, and parents are also entering the complex at their own risk. Southwest Boys Club is not liable for any injuries, foul balls, or other damage occurring at Southwest Boys club. It is the responsibility of each parent to ensure that some type of medical insurance covers their player.

Competition

At the core of Southwest Boys Club is the development of competitive team play. SWBC is designed to make teams not only competitive within the league, but also against teams from other leagues. Opportunities for teams to hone their skills are available at numerous tournaments at SWBC and other great facilities in the area. With the exception of Two Possible weekends (league games will not be played on Saturdays and Sundays unless specified, so that teams may have weekends available for tournaments.

Coaches

Coaches will be expected to lead their team both on and off of the field. Southwest Boys Club requires all coaches on the field and in the dugout to pass a background check. A 3rd party administers the background check online prior to the person being on the field. After the season begins, teams will be responsible for their own practice facilities. Practices times are available for rent prior to the start of the season, must be scheduled through Play It Again Sports at 316-729-0300.

Numerous e-mails are sent out to both coaches and parents throughout the year. It is the coaches' responsibility to provide an accurate e-mail address. We also use our website to communicate throughout the year. That is where you will find all rainout information. We do not have a rain-out hotline. We do, however, have a text messaging service that is free of charge for weather issues. **(PLEASE SIGN UP FOR THE TEXT MESSAGE AT WWW.PLAYITAGAINSPORTSWICHITAWEST.COM** This service alerts you anytime there is a league game canceled. Individual Fundraiser

THERE WILL BE NO FUND RAISER FOR THE 2019 SPRING/SUMMER SEASON.

League Composition

In 2019 season, depending on the amount of teams that play at Southwest Boys Club we are going to have two sub-divisions in each age group. The sub-divisions will be called American and National. For example, if you play in the 10U division you will either be in one of the two divisions. The League director and coaches will make the determination if the division has sub-divisions and where each team will play. We think this will allow for more competitive games throughout the league and season. Depending on the amount of teams are in the league, there is a high possibility we will play some league games in Park City, Ks.

Refunds

There will be no refunds on uniforms, fundraisers, practice times, or anything other than registration fees. There will be no exceptions or alterations to the policy.

1. If a player does not attend practices or a game, the player will receive a 80% refund.
2. If a player practices, but does not play in a game, the player will receive a 40% refund.
3. If a player plays in any game with the team, including tournaments or league play, the player will not receive a refund.

Season Schedule

The season schedule will be posted on www.playitagainsportswichitawest.com and will be available at least seven days before the season begins. Scheduling games is a non-bias, random process. Postponed games will be scheduled strategically on the specified weekends or on weeknights in June. There will be no games rescheduled without giving 14 days' notice to coaches. There will not be three games per night scheduled until after school is out. The season will begin in early April for all age groups with the exception of tee ball, which will begin in late May. Depending on the amount of teams in the league some of your games will be played at Park City, Ks. SEASON ENDS ON JUNE 20TH, 2019. NO GAMES WILL BE RE-SCHEDULED AFTER THIS DATE.
